<http://depts.washington.edu/ccph/index.html>

Community Campus Partnerships for Health (CCPH) is a nonprofit organization that promotes health (broadly defined) through partnerships between communities and higher educational institutions. Founded in 1996, we are a growing network of over 1,300 communities and campuses across North America and increasingly the world that are collaborating to promote health through service learning, community based participatory research, broad based coalitions and other partnership strategies
